Christina Aguilera - Stripped - lyrics

Beautiful

Don't look at me

Every day is so wonderful
And suddenly, it's hard to breathe
Now and then, I get insecure
From all the fame, I'm so ashamed

I am beautiful no matter what they say
Words can't bring me down
I am beautiful in every single way
Yes, words can't bring me down
So don't you bring me down today

To all your friends, you're delirious
So consumed in all your doom
Trying hard to fill the emptiness
The piece is gone and the puzzle undone
That's the way it is

You are beautiful no matter what they say
Words won't bring you down
You are beautiful in every single way
Yes, words won't bring you down
Don't you bring me down today...

No matter what we do
(no matter what we do)
No matter what they say
(no matter what they say)
When the sun is shining through
Then the clouds won't stay

And everywhere we go
(everywhere we go)
The sun won't always shine
(sun won't always shine)
But tomorrow will find a way
All the other times

We are beautiful no matter what they say
Yes, words won't bring us down
We are beautiful no matter what they say
Yes, words can't bring us down
Don't you bring me down today

Don't you bring me down today
Don't you bring me down today

I Remember
(Brad Crisler/James LeBlanc)

I'm sittin here alone
Thoughts of you run wild
I'm longin for your touch
Holded by your smile
No use tryin to erase
No one could ever take your place

Well I remember how it used to feel
back when our love was strong and real
And I remember tears in your eyes
As I looked at you and said goodbye
All I want right now is to forget
Every single thing that I regret
And drown out these embers..but I remember

It's yesterday again
Here inside my mind
And I can't find a way
to leave your love behind
I wanna wake up to the day
Your memory won't stand in my way

Well I remember how it used to feel
back when our love was strong and real
And I remember tears in your eyes
As I looked at you and said goodbye
All I want right now is to forget
Every single thing that I regret
And drown out these embers..but I remember

Well I wanna wake up to the day
Your memory won't stand in my way

Well I remember how it used to feel
Back when our love was strong and real
And I remember tears in your eyes
As I looked at you and said goodbye
All I want right now is to forget
Every single thing that I regret
And drown out these embers..but I remember
And I remember..ohhhhhh
Oh I remember ya baby...
All of you my baby

I waited 'til I saw the sun
I don't know why I didn't come
I left you by the house of fun
I don't know why I didn't come
I don't know why I didn't come

When I saw the break of day
I wished that I could fly away
Instead of kneeling in the sand
Catching teardrops in my hand

My heart is drenched in wine
But you'll be on my mind
Forever

Out across the endless sea
I would die in ecstasy
But I'll be a bag of bones
Driving down the road alone

My heart is drenched in wine
But you'll be on my mind
Forever

Something has to make you run
I don't know why I didn't come
I feel as empty as a drum
I don't know why I didn't come
I don't know why I didn't come
